

# PM-121 LINNET ACTION

## POWERFUL WATERLINE CLEANER

**PM-121 LINNET ACTION:** Powerful product specially designed for swimming pools and spas waterline. It removes effectively greases, lime scale and metal stains. It is specially formulated for liner and polyester pools.

### METHOD OF USE AND DOSAGE

- First apply the product to a small area that is not visible to check how resistant the material is. If it is worn or damaged, it may become discoloured or damaged. Wait around 8 hours to see the results before cleaning the rest.
- Shake before using the product.
- Dispense a small amount of product onto a sponge or brush and rub the surface to be cleaned.
- The product must be rinsed off thoroughly a few minutes after application. Do not leave the product in contact with the material for more than 2 minutes.
- Use the product again if it is necessary.

### PHYSICAL PROPERTIES

- Appearance: Pale yellow liquid
- Odour: Slightly characteristic
